

EDUCATION & OCCUPATION

2023-

Professor of Translational Hepatology at BRIC, Faculty of Health and Medical Sciences, University of Copenhagen, Denmark.

2019-2023.

Associate Professor, group leader (tenured) at BRIC, Faculty of Health and Medical Sciences, University of Copenhagen, Denmark.

2014-2019.

Associate Professor, group leader (tenure track) at BRIC, Faculty of Health and Medical Sciences, University of Copenhagen, Denmark.

2007-2014.

Postdoctoral Research Fellow at the Center for Cancer Research NCI NIH, USA. Laboratory of Experimental Carcinogenesis, Snorri S. Thorgeirsson, MD PhD

2003-2006.

PhD. Department of Molecular & Structural Biology, University of Aarhus, Denmark.

joint with Department of Microbiology & Immunology, Marlene & Stewart Greenebaum Cancer Center, School of Medicine, University of Maryland Baltimore, USA.

1999-2003.

MSc. (Cand. Scient). Department of Molecular & Structural Biology, University of Aarhus, Denmark.

HONORS & AWARDS

Merit Award for Cancer Research, Danish Cancer Society. Denmark. 2015

Symposium on Translational Genomics & Tumor Heterogeneity Award, NIH. USA. 2013 Center of Excellence in Integrative Cancer Biology and Genomics Award, NIH. USA. 2013

Outstanding Postdoc Nomination National Cancer Institute, NIH. USA. 2012 Outstanding Postdoc Nomination National Cancer Institute, NIH. USA. 2012, 2013 Rare Diseases Clinical Research Network Award, 3rd Conference on Clinical Research for Rare Diseases, NIH. USA. 2012

Investigator Award for Outstanding Achievements in Liver Cancer Research, International Liver Cancer Association (ILCA). Montreal, Canada. 2010

Gilead Sciences Young Investigator Award European Association for the Study of the Liver (EASL). Copenhagen, Denmark. 2009

Milstein Young Investigator Award for Impact on Interferon and Cytokine Research, International Society for Interferon and Cytokine Research (ISICR). Oxford, UK. 2007

GE-Healthcare Investigator Award, American Federation for Aging Research. NY, USA. 2007

PERSONAL STIPENDS

Research Leader Program (ascending Investigator). Novo Nordisk Foundation, 2023-2027

Hallas Møller Investigator. Novo Nordisk Foundation, 2016-2022

Sapere Aude (Research leader) IRFD Medical Council, 2015-2020

Stand-up to Cancer, Investigator Fellowship, Danish Cancer Society, 2015-2018

International Postdoctoral Fellowship, IRFD Medical Council, 2008-2010

NIH Research Fellowship, NCI/CCR, USA, 2007-2014

Research Scholarship, Danish Cancer Society, 2002-2003

RESEARCH MANAGEMENT

Head of independent research laboratory, 2014-

EU COST Action: Precision-BTC-Network (CA22125). Management committee member and leader of the cross sectional WG on artificial intelligence, 2023-2027.

Director (founding) of the Postdoc Career Program (PCP) at BRIC, Faculty of Health and Medical Sciences, University of Copenhagen, 2014-2020.

EU COST Action: EURO-CHOLANGIO-NET (CA18122). Management committee member and WG leader on genomics, 2019-2023.

Course director, Cancer Genomics PhD course, MoMed. 2017-

Board member, Danish Cancer Research Foundation, 2020-2024.

Associate Editor (elected). Journal of Hepatology 2019-

Editorial board member (elected). Hepatology 2017-2020.

Founding member and steering committee of the Global Cholangiocarcinoma Alliance. 2018.

Founding member and steering committee of the European Network for the Study of Cholangiocarcinoma (ENSCCA), 2015-2024.

Coordinator, The Cancer Genome Atlas cholangiocarcinoma network (TCGA-CHOL), USA, 2014-2017.
